The case in front of the Commission was Brent Fullen and Garrett Polston, owners of 600 Farquar Avenue, Corydon, IN. This case had been denied at the June 2, 2020 meeting pending an on-site meeting with the owners and Laura Renwick. Brent Fullen told the Commission that he had met with Laura and she was able to ascertain better the extent of the damage on the house. Laura agreed and said that the damage was much worse than what it had appeared to be from the street, and she agreed with Brent that the siding could not be saved. Mr. Fullen said he would try his best to preserve the wood around the bay windows. Mr. Fullen gave the Commission a sketch of the gabled roof he planned to put on the porch when he refurbished it, he would be keeping the posts, but would reinforce them. After a brief discussion Barbara Scharrer made a motion to approve the COA for 600 Farquar Avenue, Corydon, IN. Tim Johnson seconded the motion. The motion passed 4-0.

Adam requested that Susan e-mail the newly approved guidelines to Mr. Fullen and whomever else might need them. She said she would also be putting them on the website.

Tim Johnson made a motion to adjourn. Barbara Scharrer seconded the motion. The motion passed 4-0 and the meeting was adjourned at 6:41 PM.
