After the meeting was called to order, Darrell Voelker, Executive Director of the Harrison County Economic Development Center, brought forward, to the Commission, the case for tax abatement for the JJ Bulleit Building and the Bean Blossom Building.

Mr. Voelker explained to the Commission the difference between a Targeting Economic Development Area and a regular Economic Development Area. The targeted area of an EDA can only be up to 15% of your entire EDA. Rand then requested up to \$25,000 to clean up the Gerdon site and remove the western most buildings closest to Rice Island.
