Town Manager, Rand Heazlitt, asked the Council to approve the Harrison County Agricultural Fair Parade on June 16th at 7:00 pm. Mr. Heazlitt stated the route would be begin near El Nopalito restaurant and end at the Fairgrounds. The participants would need an hour before the parade to line up and an hour after to disperse. Chris Mattingly made the motion to approve the parade. Roger McGraw seconded and the motion passed 4-0. President Eva North asked Chief Kitterman to notify his staff and the County Police about the parade.

Police Chief Matt Kitterman updated the Council about Officer Mike Andry's injury on April 23rd during an altercation with a suspect at McDonald's restaurant. Officer Andry hit his head and suffered a concussion and has been on workman's comp. Chief Kitterman should receive an update on Officer Andry's condition on Friday. Chief Kitterman also reported the Reserve program is going well and Ben Geswein has been putting in many unpaid hours and is enjoying the program. The Chief said Susan Mills will be the next Reserve Officer once she completes her basic and firearms training. His report included information that Terry Herthel of the Harrison Co. Health Department wrote a grant to the state of Indiana for all first responders to carry Narcan. He stated the Officers attended an hour of training and received the Narcan free. In most cases, the police are used to restrain the victims, while EMS uses the Narcan to save lives.

Chief Kitterman further reported to the Council of complaints of speeding on Oliver Street, during the afternoons after school and on Wednesday evening after church. The Chief spoke with the Minister of the church to ask his congregation to slow down. The stop signs on Ridley Street have helped in slowing down drivers according to the Chief, and he recommends making Oliver and Cross Streets a four-way stop instead of a two-way. Ms. North stated an ordinance should be written for additional stop signs for the Oliver and Cross Streets. Rand Heazlitt asked the Chief if the speed signs would help as they have before, and Chief Kitterman said yes. Mr. Heazlitt priced the signs 2 for \$4,999.95 and recommended to the Council they be purchased out of the MVH fund. The Council made a recommendation to purchase the signs. Chief Kitterman also reported the Officers pulled 174 actual reports in the month of May, which includes traffic stops. The Chief made a request to the Council that fuel card be provided for each Town vehicle instead of using the current Circle K gas card for the Police Department. He stated this would allow the officers/employees to get gas anywhere and not limit them to one station. The Harrison County Sheriff's Department uses this program and it is successful. Susan Mills reported that the system was easier to use and track and the County has no problem using the system and Rosemary at the County would be glad to talk to her. The card would be assigned to each vehicle's VIN number and the receipts would also be emailed to the Town. Clerk-Treasurer Treggie King, asked the Council to wait until she could talk with the County and ask their opinion of how the program works and how they control gas usage. She was concerned about an increase in the amount of gas that would be purchased and a lack of oversight that might incur.

In other Town business, Ms. King asked the Midwestern invoice for \$11,650.00 for the backup generator. Mr. Heazlitt stated it was approved last meeting, but the contract was not signed. Ms. King stated the check and signed contract would be sent on Wednesday.

There being no further business to come before the Council and upon a motion made by Mark Park and seconded by Chris Mattingly, the Council adjourned.
